

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 2032

IN THE MATTER OF:

Served September 11, 1979

Application of AIRPORT LIMO, INC.,)
for a Certificate to Perform)
Special Operations -- Springfield)
Hilton)

Case No. AP-79-12

Order No. 2013, served August 2, 1979, inter alia, scheduled a public hearing on the above-captioned application. The Commission had previously denied a similar application for charter-pursuant-to-contract authority in Order No. 2001, served June 6, 1979, without prejudice to the filing of a new application for special operations authority. In Order No. 2001 the Commission stated that, following publication of a new application and the receipt of no protests thereto, Airport Limo could waive its right to a hearing and request that the Commission take official notice of the findings made in Order No. 2001.

By petition (letter) dated September 10, 1979, Airport Limo requests that the Commission waive the public hearing pursuant to Commission Rule 22-01, take official notice of the prior findings of fact, and make a determination on the existing evidence of record.

Inasmuch as the Commission has received no protests to the application and has sufficient evidence from the prior proceeding to dispose of the application without an oral hearing or other submission of evidence, the public hearing will be cancelled, and a determination will be made on the basis of the existing evidence of record.

THEREFORE, IT IS ORDERED:

1. That the public hearing scheduled by Order No. 2013 is hereby cancelled.
2. That the Commission takes official notice of the evidence of record in Case No. AP-78-56.

FOR THE COMMISSION:

GREGORY PAUL BARTH

Acting Executive Director
